

The McCook Tribune.

TWENTY-SECOND YEAR.

McCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY EVENING, JUNE 12, 1903.

NUMBER 2

Petty-McCarl Wedding.

Last evening at the home of Mr. and Mrs. F. A. Pennell, Mr. A. E. Petty and Mrs. Jeannette McCarl were happily wedded in the presence of near relatives of the high contracting parties, Rev. E. R. Earle of St. Alban's Episcopal church officiating in the solemn and impressive ring ceremony of the church.

Little Willie McCarl, son of the bride, was ring bearer. Dollie Pennell was flower girl, carrying a bouquet of white carnations.

The bride was elegantly gowned in a beautiful light gray crepe de chene over taffeta, and carried the Episcopal prayer-book.

The home decorations were simple—of white carnations.

After the ceremony refreshments were served.

Later the bride and groom repaired to their new home on north Madison street, where a warm (we write advisedly) welcome awaited them at the hands of the members of Kappa Kappa Gamma club who were in undisputed possession of the house.

The gifts were many and rich.

Mr. and Mrs. Petty have the warmest wishes of many ardent friends for their happiness.

Third and Last.

The third and last of a series of three entertainments provided by the library board will be given in the court house, on Friday evening, June 19th, when Nat Franco, the great comedian and impersonator, will appear before our people. Mr. Franco is credited with high dramatic ability, and is a polished actor of the modern school. He is a reader and impersonator of the first class, and he should be given a large and enthusiastic hearing next Friday evening. The South Haven (Mich.) Tribune says of him and his entertainments:

"A delightful entertainment was given last evening by Mr. Nat Franco, the well known impersonator and dramatic reader. He renders pathetic and humorous readings in a way to mark him as one of the best in his profession. He has wonderful control of the facial muscles, using them to great advantage in character paintings. We wish him success, and trust others may be given the privilege of being entertained by one so original and brilliant as he has proved himself to be."

Members of the A. O. U. W. and D. of H. are requested to bring flowers to the hall for use in decorating graves on Sunday afternoon, June 14th.

LANTERN ENTERTAINMENT.

Under the auspices of the McCook Junior Normal School, a most enjoyable treat is to be afforded the McCook people, Tuesday night, June 16. Frank R. Roberson, a world-wide traveler and eloquent lecturer, will present "Imperial India," illustrated by over 200 magnificent views taken by himself, representing the acme of photographic art.

The Lecture—It is a literary masterpiece.

The Illustrations—There are over 200 of them, brilliantly illuminated and sharply defined.

The Effect—By the concurrent use of words and pictures the eye is delighted, the ear is enchanted, and the thought is grasped without conscious effort.

Roberson lectured three times in Lincoln, last week, where the best is always heard, each time filling the mammoth St. Paul's M. E. church or the Oliver theatre—and next December, he goes back again.

It's the best of all the good things going.

Reserved seats at McConnell's, 50 cents. General admission, 35 cents.

The McCook B. & M. Winners.

The results of Monday and Tuesday's games with Holdrege indicate clearly that McCook has a club of winners, this season. Doubtless the line-up of these two games was the strongest that McCook has ever put in the diamond. The series with Holdrege was to have embraced three games, but the visitors couldn't face a third defeat and left for home on Tuesday night, forfeiting Wednesday's game.

The line-up for Monday's game was as follows:

The line-up in Tuesday's game was changed but little, Moore pitching for McCook and Converse going into right field. Tied pitched for the visitors. The summary of the second game is:

Work of Organized Thieves.

Members of an organized gang of thieves broke into the Thompson Dry Goods Co.'s store, some time between closing hour on last Saturday night and opening time this Monday morning, and stole and carried away a quantity of silk goods. Word came up from Oxford, Tuesday, that such goods were being sold there by suspicious parties. Mr. Thompson, Sheriff Crabtree, Marshal Gray and Deputy Sheriff R. M. Osburn went down to Oxford on Tuesday night, and after looking over the situation Mr. Thompson swore out four search warrants and recovered goods in all of the houses searched, in all quite a per cent of his total loss.

It comes to light that a number of other robberies have occurred along the line of the Burlington lately, Minden, Oxford, Mascot and other merchants suffering losses.

It appears to be pretty well demonstrated that Oxford criminals provide the "fence" for the disposal of stolen goods.

The method of the thieves seems to be to leave no apparent evidence of robbery in the stores entered, goods being removed and the empty boxes, cartons, etc., placed back on the shelves in regular order. Hence the thefts often go undiscovered for days, and the perpetrators thus easily go undetected.

Show Day Tomorrow.

The Famous Floto Shows united exhibit in McCook, tomorrow afternoon and night. The parade will be given at 10:30 a. m., and the pretty Shetland, Iceland, and Welsh ponies, along with the Arabian, coach, and draft horses, will be seen to advantage, hundreds of them. There will be open dens of monkeys of every species, the large man-eating baboons to the smallest spider monkey. There will be pretty little mounted child riders and funny old clown and donkey drivers. A funny old clown band will amuse the crowds that gather on the streets. Pretty wagons, chariots, and trappings will be displayed. Parents, come out; bring the children, and give them a treat always to be remembered. The afternoon performance will start at 2:30. The people of McCook and the surrounding country will have an opportunity of witnessing the prettiest, neatest, high-class, moral entertainment ever given in the city. The prices are so low everybody can attend. Children 20 cents, adults 30 cents. Free pony rides will be given the little folks. Come out and see the parade.

McCook's Junior Normal School.

The McCook Junior Normal School opened, Monday morning, for a ten-weeks' session, with an enrollment of about 100 teacher-pupils and others. By Tuesday morning everything had settled down to the regular work as provided in the daily program. The opening of the Normal is auspicious and encouraging. The outlook is bright for a helpful, profitable school. Every opportunity will be afforded, and the eager, energetic manner in which the pupils take to the work augur's well for the Normal's success. The opening attendance of 100, it is expected, will be very considerably increased next week, and the inspiration of growing numbers will doubtless be felt in the work.

JUNIORS.

The initial attendance is about 100 pupils.

Visitors will be welcome at all sessions. Come!

The Holdrege Junior Normal School opened, this week, with an enrollment of about 125.

J. W. Crabtree, state inspector of high schools, was in the city, Wednesday, in the line of his duty.

Supt. G. H. Thomas of our city schools is in charge of the Normal, and teaches reading and literature, civics, pedagogy.

Eight counties are represented in the attendance, this week, in the following numbers: Red Willow 55, Frontier 13, Hitchcock 7, Furnas 6, Chase 5, Dundy 2, Hayes 2, Harlan 2.

Deputy State Supt. McBrien was at the conference, Wednesday, and expressed satisfaction at the promising start of the normal. Success is assured, with increasing interest and attendance.

The helpers are: Nellie Ryan, librarian; John Green, clerk; Blanche McCarl, accompanist; Misses Wilcox, Thomson, and Rowell, enrollment; Gertrude Morrow, assignment to boarding places; a corps of high school cadets, guides.

A conference was held on Wednesday by Deputy State Supt. J. L. McBrien with the county superintendents and the normal instructors. Those present were: Deputy State Supt. J. L. McBrien, E. S. Dutcher, supt. of Red Willow county; I. B. Raichart, supt. of Dundy county; G. H. Pickett, supt. of Hayes county; J. W. Crabtree, state inspector of high schools.

The music feature of the normal will be attractive. Prof. Bradford, a state university graduate, will be in charge. There will be chorus work in the morning, and work for beginners in the afternoon, to shape up for the chorus work. It is hoped that many of our high school pupils will take advantage of this vocal opportunity. Two concerts will be given by the chorus during the session, and it is expected that they will be well worth while.

The corps of instructors is of recognized strength and efficiency: Supt. A. O. Thomas of Kearney needs no introduction to Western Nebraska teachers. He teaches geometry, elementary arithmetic, geography, school management, course of study, elements of agriculture, and it will be done masterfully. H. E. Bradford of Lincoln, a state university graduate, will have advanced arithmetic, book-keeping, physiology, botany, physics, and music; strong work may be confidently expected of him. Miss Cora O'Connell comes from the Fremont high school, with fine endorsements; she is an alumnus of the state university. She will teach elementary English grammar, composition and history. Mrs. Sarah Brindley of Columbus will conduct the model school, teach drawing and penmanship and primary methods. Mrs. Brindley has no superior in the state; she will enter upon her duties on next Monday.

A number of entertainments will be given during the normal, commencing with the illustrated lecture by the famous traveler and writer, Frank R. Roberson, in McNard's opera house, next Tuesday evening, June 16th, at 8:30 o'clock. This will be fine. He comes with strongest endorsements. He cannot be too strongly recommended. He has twice lectured in Lincoln, before the Nebraska State Teachers' Association, to crowded houses. His two hundred and more stereoscopic views will be handled by an expert assistant, in a lantern of the latest and finest make. "Imperial India" will be the subject of his lecture. In addition to this, there will be two concerts by the normal chorus; a debate between Bixby and Mrs. Gregg; Turner picture exhibition; addresses by Dr. W. A. Clark of Peru state normal school; Dean Charles Fordyce of the Wesleyan; Prof. G. E. Condra of the state university; and last but not least, a concert by the Wesleyan Quartette, well known to Western Nebraska audiences.
